A man accidentally runs over a rabbit in his car. He gets out to see if he can help, but the rabbit is dead. His wife has an idea and gets a spray can out from her handbag and sprays the rabbit. The rabbit suddenly jumps up, waves its paw and hops off down the road. Ten feet away it stops, turns around and waves again. It keeps doing this till it is out of sight. Looking at the spray can the husband reads the label: "Hair spray – Restores life. Adds permanent wave."
