The Titanic was carrying 12,000 jars of Hellmann's Mayonnaise scheduled for delivery in Vera Cruz, Mexico, the next port of call for the great ship after its stop in New York. As we know, the great ship did not make it to New York. The people of Mexico, who were crazy about mayonnaise, and were eagerly awaiting its delivery, were disconsolate at the loss. Their anguish was so great, that they declared a National Day of Mourning. The National Day of Mourning still occurs each year on May 5 and is known, of course, as: Sinko De Mayo.
