CAFOD: CAFOD launched its coronavirus emergency appeal on 30 April. The effects of coronavirus on developing countries where CAFOD works are likely to be devastating. Families without enough to eat and without access to clean water and healthcare are particularly vulnerable to coronavirus. The poorest and most marginalised communities will be pushed further into poverty. Your prayers and gifts are needed now more than ever to protect the lives of those in poor communities. While we are not able to hold physical collections in our church, you can donate as individuals at cafod.org.uk/coronavirusappeal
