### On the Synod

#### Key Words of the Synodal Process

The theme of the Synod is **“For a Synodal Church: Communion, Participation, and Mission.”** The three dimensions of the theme are communion, participation, and mission. These three dimensions are profoundly interrelated. They are the vital pillars of a Synodal Church. There is no hierarchy between them. Rather, each one enriches and orients the other two. There is a dynamic relationship between the three that must be articulated with all three in mind.

**Communion:** By his gracious will, God gathers us together as diverse peoples of one faith, through the covenant that he offers to his people. The communion we share finds its deepest roots in the love and unity of the Trinity. It is Christ who reconciles us to the Father and unites us with each other in the Holy Spirit. Together, we are inspired by listening to the Word of God, through the living Tradition of the Church, and grounded in the *sensus fidei* that we share. We all have a role to play in discerning and living out God's call for his people.

#### Texts taken from the *Vademecum* of the Synod

*(To be continued next week)*

**Face Covering at Mass:** In keeping with Welsh Government guidance, face coverings must be worn at Mass by adults and children aged 11 and over. The face covering may be removed in order to receive Holy Communion. By wearing a face covering you will be helping to protect others.
