**THE NEW LECTIONARY IS NOW IN USE**

The new lectionary is now in use in England and Wales. The Lectionary, which is the book that contains the Scripture readings for Mass and the Sacraments, has now changed as part of the continuing process of revising liturgical translations. The process began with the Roman Missal in 2011 and has continued with all the other liturgical texts. The new Lectionary uses the English Standard Version - Catholic Edition of the Bible and the Abbey Psalter. The changes are intended to make the biblical translations more faithful to the original languages, biblical scholarship, and to provide a text for use in liturgical setting that is more proclaimable and, where appropriate, more inclusive.
